**Notes:**

Beginning in 2001-02, UofL began to include some of the mandatory student fees in their tuition rates. NKU began including all fees in their tuition rate in 2002-03. In 2002-03 WKU began including some of their fees in their tuition rate. Beginning in 2003-04, KCTCS reflect an annualized fee for students taking 30 credit hours. Students are charged per credit hour.

1986-87 - 1997-98 data reflect rates at the UK Community College System.

- 1.) Includes midyear tuition increase at WKU, one-time tuition surcharge of \$100 for Spring 2004 at EKU, and is when KCTCS moved to a per-credit-hour fee structure from a flat-rate semester fee structure
- 2.) Includes midyear tuition increases at WKU and KSU
- 3.) Includes midyear tuition increase at WKU
- 4.) Indicates the year that MoSU changed to a per-credit-hour rate structure. On a per semester basis, full-time students are assessed on a per credit hour basis with the first 12 hours assessed at the full per credit hour rate and all hours above 12 discounted by 80 percent. The annualized rate of \$5,670 represents 24 credit hours at the full per credit hour rate and 6 credit hours discounted at 80 percent or 20 percent of the full per credit hour rate.
